

Learner's diary from the Greek partners NOSTOS

Karlsruhe 24th March to 27th March 2011 "The Immigrant's Business Plan", Leonardo Partnership

Presentations of the participant organizations....get to know each other for one more time!!

Making the schedule of the day...happy and ready to start!!

What is the **business** about??

**Marketing** analysis!

Who is the **immigrant** entrepreneur??

Business **plan!**

**cultural** reality??

Who are the **vulnerable** groups??

Do they need special **coaching**??

So many questions waiting for answers... each partner brings their different subjects under discussion

Working on the guidelines....making a general review of the project and its final products...

The intercultural evenings always giving a different but strong experience through the transnational meetings

It's time to say goodbye...
