

## Migrants creating a company in France

### **Who can help you?**

Source APCE France <http://www.apce.com>

National organization dedicated to the creation of activity.

For instance at national level:

- Program migrations & economic initiatives (PMIE) which is a group of organisation welcoming and coaching people aiming at creating a company in France or in relation with the country they are coming from/ [www.pseau.org/pmie](http://www.pseau.org/pmie)
- Boutiques de gestion (BGE) which help company settlers to work on their business plan and the creation of the business model: [www.boutiques-de-gestion.com](http://www.boutiques-de-gestion.com)
- Chambers of Commerce & Industry, [www.cci.fr](http://www.cci.fr) as well as chambers for handicraft [www.apcm.com](http://www.apcm.com).

### **Once the project is fixed, you can:**

- test your project in a secured environment in a Nursing company :[www.uniondescouveuses.com](http://www.uniondescouveuses.com)
- or in a cooperative: [www.cooperer.coop](http://www.cooperer.coop).

### **Financing your project:**

- The Association for the right to economical initiatives (Adie) will allow you a loan when a bank isn't financing you [www.adie.org](http://www.adie.org)
- the organisation « France Initiative » is one of the network which can as well lend you money [www.france-initiative.fr](http://www.france-initiative.fr)
- Territorial fonds of « France Active » you financial expertise as well as free coaching to help you finding financing [www.franceactive.org](http://www.franceactive.org)
